### **EDUCATIONAL BACKGROUND**

Slick has participated in numerous on-site training modalities including specialized training in fowl retrieval, deer tracking, quality assurance in food service as well as recreational therapy with persons with disabilities.

### **PROFESSIONAL EXPERIENCES**

September 1998 - Current **Western Vocational Services, Inc.**  
101 S. Hastings Avenue  
Hastings, Nebraska 68901

Job Description:

\*Director of Public Relations

Greets staff and customers, making them feel at home. Makes staff aware of when it is time for breaks, including breakfast, lunch and dinner. Watches clock for staff & notifies when shifts are completed and it is time to go home. Keeps wild animals away from the perimeter of the facility. Provides the overall fuzzy feeling in the office complex.

October 1995 - Sept. 1998

**Hastings KOA Campground**

302 East 26th Street  
Hastings, Nebraska 68901

Job Description:

\*Manager.

Patrolled parameter of facility ensuring no wild animals gained entry. Ensured campers did not discard any unnecessary food items in trash receptacles. Managed convenience store, including operating cash register.

**SPECIAL ACCOMPLISHMENTS**

Attended 194 staff training meetings.

Successfully found over 23 deer.

Retrieved over 986 pheasants and 1,867 quail.

Mentored 8 puppies for the world of hunting and human service.

Hasn't missed a day of work for 16 years due to sickness.

*Many of you have met and worked with Slick throughout the years and know that he is become quite the senior citizen. We've had to make some worksite accommodations for him lately including assistance getting in and out of his work vehicle as well as medication management. But, as we all know, finding good help is hard to come by and we will go the extra mile for Slick as he has given so much to us!*

*We all miss you.....*
